Camp Instructor Brian Joyce *WNCC Head Coach*

Joyce completed his 2nd season as head coach for Western Nebraska Community College and 6th season overall as a head coach. He has compiled an impressive 138-59 record as a head coach and is committed to bringing

the winning tradition back to the Cougars. WNCC has been one of the most successful programs in the country over the past 20 years which is evident by having the second most National Tournament appearances during this time.

Joyce's goal when he took over the program was to try to re-establish WNCC as one of the top programs again in the region. This was no easy task considering the storied history of Cougar Basketball which averaging 25 wins a year and 12 national tournament appearances in the country over the past 30 years. Despite the lofty expectations, Joyce jumped in with both feet and has quickly brought the program back to the top of the Region IX standings. Last season, with a relatively young team, WNCC posted an impressive 25-7 record. The best record in the program since the team was ranked #1 in the nation back in 2005.

Joyce brought in an impressive resume which includes 11 years of college coaching experience. He also has experience as a player and/or coach at the Division I, Division II, NAIA, and Junior College levels. The Cougar Palace began to fill once again as the team posted 13-1 home record. Down the stretch the Cougars won an impressive 16 out of 18 games including only losing one road game the entire second semester. Other impressive accomplishments included a season sweep of the last two regional champions and rivals in Northeastern Colorado and Eastern Wyoming.
