

ART

Scottsbluff Campus

AA.5007 (63-68 Credits)

The art department provides a two-year emphasis area designed to meet the professional and avocation needs of students. The suggested course of study is designed to meet the requirements for the Associate of Arts degree awarded by WNCC as well as to meet requirements for junior standing at four-year colleges, where students may continue toward advanced degrees. This emphasis area equally applies to those students whose interest is more avocation than vocational, those who desire to broaden themselves in the visual arts, or those who find in the artistic experience personal enjoyment and satisfaction. Academic courses in general areas of study are also included to correspond with the philosophy and purposes of education at WNCC and to fulfill transfer needs.

Objectives

- Provide students with the first two years of courses in the visual arts, together with co-curricular courses, which lead to an Associate of Arts degree and are prerequisite to advanced study.
- Advance knowledge and develop skills of performance and attitudes, which may have either vocational or avocation application.
- Provide students with opportunities for creative self-expression in the visual arts.
- Increase students' perception, appreciation, and enjoyment of the visual arts and of the world about them.

Notes

- Students who plan to transfer to a four-year college/university should consult their faculty advisor and the Transfer Advisor early in their WNCC enrollment to determine their curriculum. This specifically applies to the requirement of foreign language, which may not be required or may have been fulfilled by courses taken in high school.
- ARTS-2500 and ARTS-2520 are offered on alternate years. Students should consult with their faculty advisor when registering to determine when to take this two-semester course. Freshmen entering the year this course is offered will need to take it at that time.
- Art majors should not enroll in ARTS-1710.
- Because of their significance to art majors, the following elective courses are recommended: BIOS-1160, BIOS-1200, BIOS-1300, ENGL-2230, and ENGL-2260.
- Students are required to purchase their art supplies for courses in drawing, painting, and design. It is particularly important for evening and Saturday classes that students bring whatever art supplies they may have to the first class meeting to ascertain their use for the course or inquire of the instructor what materials may be necessary for the first class meeting.

Suggested Curriculum

1st Sem, Course	Credit
ARTS-1550 Freehand Drawing 1.....	3
ARTS-1650 Design Fundamentals 1 ...	3
ENGL-1500 English Composition 1	3
PHED-XXXX Physical Education	1
INFO-1100 Microcomputer Applications	3
FREN, GERM, or SPAN -	
Foreign Language	3-5

16-18 Credits

2nd Sem, Course	Credit
ARTS-1580 Freehand Drawing 2.....	3
ARTS-1680 Beg. Watercolor Painting ..	3
ENGL-1550 English Composition 2	3

SPCH-1200 Speech Communication ...	3
PHED-XXXX Physical Education	1
FREN, GERM, or SPAN – Foreign Language	3-5

16-18 Credits

3rd Sem, Course	Credit
ARTS-2500 History of Art 1	3
ARTS-2400 Oil Painting 1	3
HIST-XXXX World Civilization.....	3
BIOS, CHEM, or PHYS - Lab Science ..	4
ANTH, ECON, GEOG, HIST, PHIL, POLS, PSYC, or SOCI - Social Science (other than World Civilization)	3

16 Credits

4th Sem, Course	Credit
ARTS-2520 History of Art 2	3
ARTS-2430 Oil Painting 2	3
MATH-1150 College Algebra or MATH-1170 Mathematical Applications (or higher)	3-4
Humanities	3
Electives	3

15-16 Credits
