

VETERINARY MEDICINE (PRE)

Scottsbluff Campus

AS.5111C (64 Credits)

This emphasis area constitutes the first two years of the preprofessional study required for admission to a college of veterinary medicine.

Objectives

- Provide the information and credit required for a student to continue upper division preveterinary medicine studies at a four-year college or university.
- Provide course work basic to a variety of curricula. Students can change their educational goals to other areas, especially in the life sciences, with little or no lost time.

Notes

- Students who plan to transfer to a four-year college/university should consult their faculty advisor and the Transfer Advisor early in their WNCC enrollment to determine their curriculum.
