

MEDICAL TECHNOLOGY (PRE)

Scottsbluff Campus

AS.5110 (66 Credits)

This emphasis area constitutes the first two years of pre-professional study required for admission to a school of medical technology.

Objectives

- Provide students with the necessary information and credit to transfer directly to a school of medical technology that has a two-year pre-professional requirement.
- Provide the first two years of study in programs where more than two years of pre-professional study are required for admission to a school of medical technology.
- Provide course work basic to a variety of curricula. Students can change their educational goals to other areas, especially in the life sciences, with little or no lost time.

Notes

- Students who plan to transfer to a four-year college/university should consult their faculty advisor and the Transfer Advisor early in their WNCC enrollment to determine their curriculum.
- Recommended electives: BIOS-2120 and INFO-1100.
