

COSMETOLOGY INSTRUCTOR TRAINING

Sidney Center

Programs and Awards:

C1.1204A (30 Credits)

This program provides the appropriate training for a licensed cosmetologist to become a licensed cosmetology instructor. Advanced training is provided in materials, skills, and techniques as well as teaching methods.

Objectives

- To provide teacher educators with well planned basic course material and to train competent individuals to teach in schools of cosmetology.

Notes

- A minimum of two years work experience within the last three years is required for admittance into this program.
- Students must provide the College with their current valid Cosmetologists license.
- Students must demonstrate competency in writing and mathematics by assessment (eCOMPASS) or by passing the appropriate mathematics and writing courses (MATH-0150, MATH-0160, or OFFT1500 **and** ACFS-0050W). This is in addition to the required curriculum for the certificate.
